FITZ WON HIS FIGHT

GUS RUHLIN WENT DOWN IN SIX HARD ROUNDS

Big Ohioan Was Outgeneraled at Every Point--Fitzsimmons by No Means Played Out As Fighter.

New York, Aug. 16.—In a fight that for punishment, slugging and blood exceeded anything ever seen in the East since the Horton law went into effect Robert Fitzsimmons, the ex-champion heavyweight pugilist of the world, literally beat Gus Ruhlin of Akron, O., into a state of unconsciousness in the sixth round at Madison Square Garden tonight.

Ruhlin, because of his signal victory over Sharkey last June, was considered the coming man in the heavy-weight class. It had been said of him that, coached by Corbett and Madden, he had developed into a pugilist capable of winning the laurels away from Jeffries, to say nothing of defeating the veteran Fitzsimmons, who was knocked out by Jeffries a year ago. It was also said of Ruhlin that he would show in tonight's fight improved form, increased speed and wonderful ability in every respect, so that the crowd of 15,000 spectators who packed the great arena to see the contest expected to see an exhibition of the manly art by Ruhlin that would be far above the average.

Ruhlin had the public support as far as the betting went, though there was so much Fitzsimmons money floating about that no odds either way existed when it became time for the men to put up their hands. But before the bout had been under way two rounds it was demonstrated beyond the question of a doubt that Fitzsimmons was by no means played out and was there to put up a fight far better than anything he has shown since he whipped Corbett at Carson. From almost the first sound of the bell Fitzsimmons out-fought and outgeneraled Ruhlin. The latter was at times helpless in point of scientific methods and was also at sea as to the proper way in which to conduct the battle. Ruhlin probably depended upon the clever advice of Corbett and Madden, but in that dependence he went too far. Fitzsimmons put up such a fast fight from the start that Ruhlin had no time to think and he was soon bewildered.

In the second round Fitz showed what a terrible puncher he is by landing a left hook straight upon the jaw and then whipping it fairly into the pit of the stomach. The latter blow doubled Ruhlin up like a jackknife and was powerful enough to take all his steam away. Ruhlin went down hard and took the full count. He was in such distress that when he went to his corner it did not seem possible for him to continue, but his seconds fixed him up and his remarkable physique brought him around so that in the third round he was pretty well recovered. Still Fitz had the better of it from that time to the end, and whenever he landed a punch upon a vital spot he had the big Ohio fighter staggering all over the ring.

The Chinese question—"How can do?"

In a month from now the Rapid Transit fellows will be looking up to Pacific Heights for inspiration.

A retiring disposition is a handy thing to have sometimes, even a lawyer finding it to come not amiss at the right time.

Two local scientists are utilizing most of the hitherto useless words in the Century dictionary for drawing attention to the vast stores of knowledge regarding sun spots which they lack in common.

A man who stays out of politics may be patriotic but nobody except himself knows it.

The queerest kick ever made is that of a factional organ against the getting of votes at the primaries from the ranks of an opposite party. How are elections won if not by picking up majorities lying around loose?

Not long ago an eminent physician just from San Francisco declared Honolulu to be the dirtiest city he knew in the world. It will be a superlatively bad city in many ways until it is governed as a city by its citizens. With a direct responsibility bearing upon every citizen for his city's conditions of civilization, few would have the hardihood to oppose any genuine improvement however radical and whatever the expense. As it is seen now, any shellback undertrapper of the omnibus government of the Islands can, in matters belonging to his clogged-up bureau, find a hundred excuses for blocking any public improvement no matter how solemnly enacted by the omnibus legislature. Look at Honolulu begging vainly for twenty years for an approach to an efficient water supply, and other towns of the group waiting patiently for at least half as long to get even the sight of a water pipe lying on the ground.

Doctor Squills—What are your boy's symptoms?
Diddle Talklightly—He's all broken out in a rash. Wife was anxious lest it was chickenpox until I told her it was only spots on the son. Then she got mad and made me come to see you.
